 - ii) Do paper and hyperlink
 - iii) Can we get local things added in
 - iv) Decide what percentage to keep for FC and how to allocate the other percentages
 - v) Try to run this before Giving Tuesday so we aren't asking one on top of the other
 - d) Merchandise getting arranged by Erin with consult from Alfie
 - i) Items are marked up by a chosen amount and that amount goes back to the school (or FC in the future with Board approval)
 - ii) Set to be up and running in about 2 weeks
 - Digital store, open for a given amount of time; purchase on your own; items go to Erin and get sorted by UE and LE for pick-up; can choose to have shipped to you for a fee

TEACHER AND CLASSROOM SUPPORT

- 1) Classroom Helper Program
 - a) do we call this classroom liaison? TABLED
 - b) Have two families from UE/MS restocking UE/MS for each "semester" Sept-Dec, Jan-June- 4 families total
 - i) Need to assign/find by next week- to start on Sept 18.
 - (1) Contact: Kelsey
 - ii) Add cleaning the microwave and fridge, or find someone else for that

FAMILY SUPPORT PROGRAM (Liz)

- 1) WINTER PROGRAM
 - a) Fundraising
 - i) NHEC grant- winter program submitted
 - need-based scholarships: -downhill skiing is expensive; some families can afford it and should pay, as able; other schools offer scholarships, get about \$2000 in grant money for this
 - (2) if we had less expensive options, like XC, we may be able to request full funding for those activities- transportation, instruction, etc, in the future

- ii) Future ideas:
 - (1) Xc skiing at green woodlands, squam lake, waterville- Bill Koch offers after school option; transportation and parent supervision required, which makes it difficult for families to join; how effective are lower el skis?
 - (2) Squam offers nature guides / Americorp volunteers
 - (3) Winter photography- Kim?
 - (4) Survey families to gauge interest
 - (5) Possibility of extending winter program by a couple of weeks
- iii) Gearx grant Submitted- gear hut
- b) Options on winter program- different mountains is WV isn't possible; xc skiing at any of these mountains
- c) find someone to assist/ organize winter program

G&M

Need to find replacement chair Need to rework odd jobs

John Martin volunteered to do stump removal on new land

OTHER

Any families have concerns / questions / suggestions they want brought to the board meeting?

- 1. Would like to see an annual appeal for the dev
- 2. Proper capital development
- 3. Need to hire somebody professional?
- 4. Curriculum development in accordance with mission (nature-based, Montessori)

Tag Rebecca Veltri for parent helper during the wool unit

Family Friday:

Typical format but do permission slip type form so that teachers know which parents are coming and which aren't. Have kids from ASP handed off to Monica to "manage", teachers will "manage" their own students who don't have parents coming and are not part of the ASP. All will be able to join the group in Fort Creek for play and bake sale.
